

Sandip Foundation's
Sandip Institute of Engineering and Management,
Mahiravani, Trimbak Road, Nashik-422213

Department of Computer Engineering

Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

EVENT REPORT

On

Seminar on “Career Building and Goal Setting”

Name of Event: Seminar on “Career Building and Goal Setting”

Date of Event: 21/09/2023 (Thursday)

Coordinator of Event: Dr. K A Shirsath and Mr. M V Korade

Name and Details of Resource Person: Sr. Wing Commander Mr. G Srinivasu

No of Participants: 129

Details of Participants: Students of FE SE TE and BE

Program Outcome Mapped: PO10, PO12, PSO3

Objectives:

- 1) Help participants define and articulate their career goals.
- 2) Equip attendees with the necessary skills and knowledge required for their chosen career paths, including technical, soft, and transferable skills.
- 3) Teach participants how to set SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals that are realistic and actionable.
- 4) Encourage individuals to assess their strengths, weaknesses, interests, and values to make informed career choices.
- 5) Provide resources and guidance for researching and exploring various career options and industries.
- 6) Equip individuals with time management techniques to balance their career development

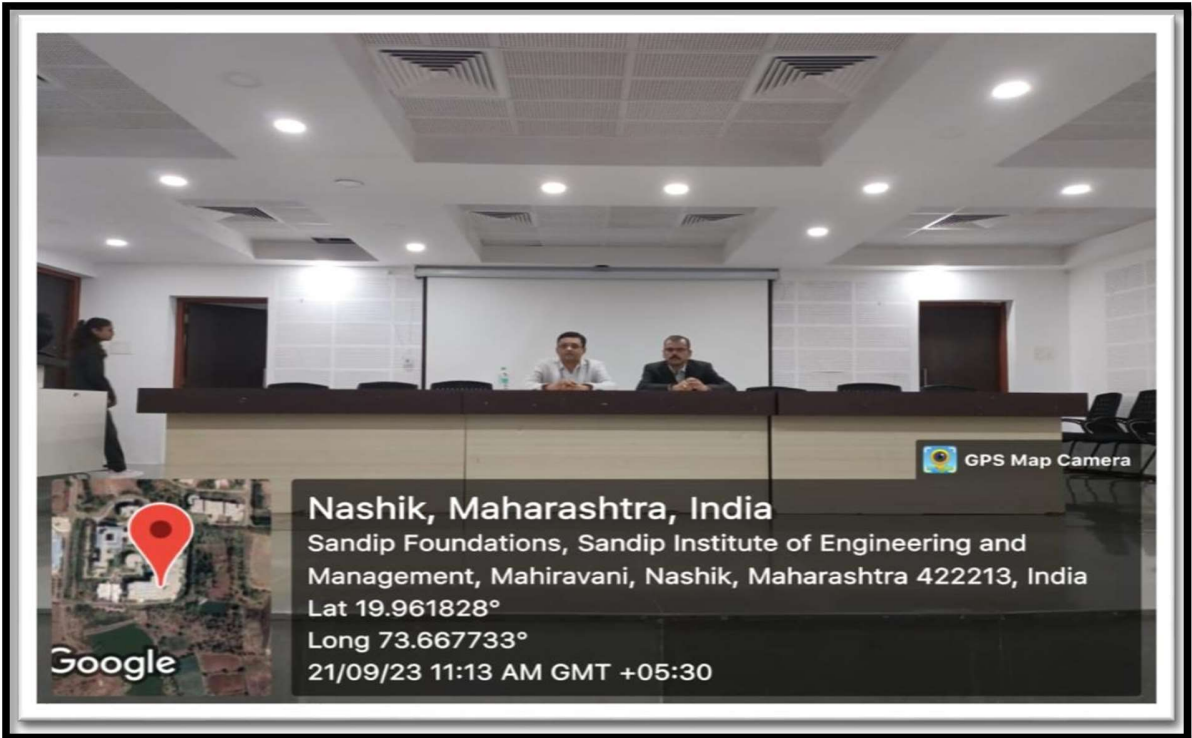

efforts with other life responsibilities

Outcome:

- 1) Participants should leave the seminar with a clearer sense of their career direction, knowing what they want to achieve and how to get there.
- 2) Attendees should be able to set well-defined, achievable goals that serve as a roadmap for their careers.
- 3) Participants should acquire or enhance the skills needed for their chosen careers, making them more competitive in the job market.
- 4) Participants should have improved time management skills to balance their career development efforts with other responsibilities.
- 5) Individuals should have a better understanding of personal finance principles and be better prepared to make informed financial decisions.
- 6) Attendees should be more resilient and adaptable in the face of career challenges, job transitions, and changes in the job market.
- 7) Seminar attendees should leave with a heightened sense of motivation and confidence in their ability to pursue and achieve their career goals
