

Sandip Foundation's
Sandip Institute of Engineering and Management,
Mahiravani, Trimbak Road, Nashik-422213

Department of Computer Engineering

Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

EVENT REPORT

On

Seminar on “Engineering Education and Career”

Name of Event: Seminar on “Engineering Education and Career”

Date of Event: 08/10/2022

Coordinator of Event: Prof. V. V. Mahale

Name and Details of Resource Person: Dr. Rajesh Bansode, Professor, (Thakur College of Engg & Technology)

No of Participants: 45

Details of Participants: Last Year Computer Engineering Students

Program Outcome Mapped: PO12, PSO3

Objectives:

- To provide insights into various fields of engineering, including emerging disciplines and interdisciplinary roles.
- To highlight the skills and competencies unique to each branch and the types of projects or industries they typically support.
- To discuss career trajectories, job roles, and growth opportunities within engineering fields.
- To provide case studies or examples of engineering innovations to illustrate how

engineers solve real-world problems.

Outcome:

- Students are able to identify and differentiate between various engineering disciplines, describing their unique characteristics, applications, and potential career paths.
- Students are able to understand and outline the academic requirements and core skills necessary for a successful career in engineering, including foundational knowledge in mathematics, physics, and problem-solving.
- Students are able to recognize and evaluate career opportunities and growth paths within engineering fields, understanding typical industry expectations, job roles, and long-term career trajectories.
- Students are able to implement effective strategies for securing internships and building professional networks, using industry connections and mentorship to enhance career development.

Name of Participant: Neha Anil Pooje
Class: B.E
Contact Number: 9307005712
Email id: pojjenaha123@gmail.com
Title of Activity: Seminars on Engineering Education and carrier.

Give your rating on the basis of following evaluation scores.

Rating Scale	Excellent - 4	Good - 3	Average - 2	Below Average- 1
Statements				Rating
The Content was based on relevant topics.				4
The Program was well organized.				3
The topic of the program was easy to understand				4
The duration of the program was good enough.				3
The Program was beneficial for students' academic /personal growth.				3
Overall view of the Session				4

Suggestions / Comments:

The session was enlightful and I got
know a lot new things.
